Saturday • November 7

Time	Saturday, November 7
5:30–6:00 AM	Meet and load at Jollibee Soliven (tentative). IanCarl prepares and packs the light breakfast. Coordinate MC’s motorcycle parking before departure.
6:00–10:00 AM	Travel to Zambales. Allow about four hours, with a short rest stop if needed.
10:00–11:00 AM	One-hour San Marcelino market / grocery stop. Buy the remaining dinner, breakfast and rice ingredients, fruit, drinking water, ice and charcoal.
11:00 AM–12:00 NN	KDB Sweet Shop cake pickup and preordered Wideplate ulam pickup. House stop: cook lunch rice, refrigerate meat and cake, unload and prepare beach bags. Divide tasks; this is a tight target.
12:00–12:30 PM	Travel to I Love BayBay. Target arrival 12:30 PM; outside-food permission and the day-use arrangements need a clear reply.
12:30–1:30 PM	Lunch at the open cottage: Wideplate ulam with house-cooked rice, then bonding and photos. Coordinate the seafood allergy with the restaurant.
1:30–2:00 PM	Prepare for ATV, meet the guides and attend the safety briefing. Barte’s parents remain at the beach cottage. Pickup point still needs confirmation.
2:00–5:00 PM	Six guests ride three ATVs with a separate guide/emergency unit. Package includes waterfalls, coastal and beach trails, carabao ride, trekking, about one hour at the falls and drone shots. Guide must arrange upper-falls access before its 4:00 PM cutoff.
5:00–6:00 PM	Reunite with the parents, wash up and collect belongings. Confirm resort showers and allowed day-tour hours.
6:00–8:00 PM	Return to the house, cook pork BBQ, pork adobo and rice, then eat together.
8:00 PM onward	Birthday cake for Anne, MC and Paul; games, music, photos and bonding at the house. Prepare Sunday’s bags. The driver needs sufficient rest.

All times are targets, not bookings or guaranteed travel times. Preorder food and cake and divide the house tasks to reach the beach by 12:30 PM. If errands run late, shorten the initial beach hangout while preserving the 2:00 PM ATV start. Boat stops and timing depend on the operator and sea conditions.

Sunday • November 8

5:30–7:00 AM	Karl and MC cook breakfast: sinangag, eggs and longganisa. Karl finalizes quantities. Prepare the island lunch if cooking at home; otherwise collect a prearranged early takeout order.
7:00–7:30 AM	Eat, clean up and pack island day bags, food and water. Organize remaining belongings for an easy return to the house.

8:00–8:30 AM	Meet Jessilyn’s operator, load food and bags, and prepare life jackets. Confirm the stop order and return pickup.
8:30–10:30 AM	Boat travel and Camara / Capones sightseeing and photo stops. This order and timing are proposed, subject to the operator and sea conditions.
10:30 AM–12:00 NN	Reach Anawangin, settle at an open table/cottage, swim and relax. Table reservation and CR/shower inclusions still need confirmation.
12:00–1:00 PM	Shared packed lunch: home-cooked food or early takeout, with rice prepared at the house. Final menu and buyer/cook are pending.
1:00–2:30 PM	Relaxed Anawangin time: swimming, photos, cards and beach bonding. Optional purchases or activities are KKB.
2:30–3:30 PM	Wash up, pack and return by boat to Pundaquit. Agree on this pickup with Jessilyn; it is not yet a confirmed timetable.
3:30–5:00 PM	Return to the house, collect bags and finish cleanup. Driver rests or naps while everyone else packs.
5:00–9:00 PM	Travel back to QC. Allow about four hours and stop if the driver needs a break.
9:00–9:30 PM	Fast-food dinner in QC: KKB. Choose a convenient place on arrival.
9:30–10:30 PM	Passenger drop-offs and MC’s motorcycle pickup. Target everyone home around 10:00–10:30 PM; traffic can delay arrival.
