Dinner is planned at the house. Bring only what is needed for the beach.

Sunday | November 8

ATV first, then lunch and a relaxed afternoon around Clark Parade Grounds

Sunday’s plan is ATV first, then lunch and the afternoon around Clark Parade Grounds. Times assume a Capas/Santa Juliana operator and remain provisional until the meeting point and booking are confirmed. Leave Clark at 7 PM or earlier; target home around 10 PM. This is an optimistic target, subject to traffic, dinner and drop-offs. The driver must have enough rest.

Time	Plan
6-7 AM	Breakfast. Karl plans the menu and ingredients; Karl and MC cook. Everyone eats and gets ready.
7-7:30 AM	Clean the house, pack and load all belongings. Bring the day bag, water and a change of clothes for ATV.
7:30-10:30 AM	Travel to the Capas/Santa Juliana ATV meeting point. Allow approximately three hours provisionally; exact operator, route and arrival time remain pending.
10:30-11 AM	Registration, safety briefing and preparation. Bring a small snack if needed before the later lunch.
11 AM-12 NN	Mt. Pinatubo lahar-trail ATV adventure. Target a 30-minute to one-hour ride. Operator, price, meeting point and booking are pending.
12-12:30 PM	Freshen up, change clothes and prepare for the Clark transfer.
12:30-1:30 PM	Travel to Clark Parade Grounds. This one-hour allowance must be checked against the final ATV meeting point.
1:30-2:30 PM	Lunch around Clark Parade Grounds - KKB, ₱400 each. Anne and the group choose the restaurant. Options: Barn by Conti’s, Couscousi Mediterranean Grill and Porch Coffee.
2:30-7 PM	Flexible afternoon at Clark Parade Grounds. Relax, walk, take photos, visit the nearby Barn Houses and memorials, play cards/UNO, or try optional bicycle rental. Anyone interested can visit Clark Museum before its published 4 PM closing. Driver rests. Choose what the group feels like doing; leave earlier if everyone is ready. Museum/student admission and bike-rental rates still need confirmation.
7 PM or earlier	Depart Clark for QC. No need to stay until 7 PM if the group has finished. Make a rest stop if the driver needs one.
On arrival in QC	Fast-food dinner - KKB, ₱250 allowance, then passenger drop-offs and MC’s motorcycle pickup. Choose a convenient McDonald’s, Jollibee or similar restaurant.
Around 10 PM - target	Target arrival home, not a fixed ETA. Traffic, dinner queues, rest stops and drop-off locations may push arrival later.

There is no planned return to the San Antonio house on Sunday. Pack everything and clean the house before leaving in the morning.

Clark lunch and afternoon

Lunch choices - Anne and group decide

Restaurant	Published examples	Budget note
