Packing and optional beach idea

Personal packing checklist

Category	Bring

Footwear	Closed-toe shoes for adventure activities; slippers for the beach and house
Beach essentials	Towel, sunscreen, waterproof pouch and wet-clothing bag
Personal care	Toiletries, personal medication, insect repellent and hygiene essentials
Electronics	Phone, charger, cable and charged power bank
Travel essentials	ID, cash, refillable water bottle, overnight bag and small day bag
Rain protection	Compact umbrella or raincoat
Optional comfort items	Cap, light jacket, personal snacks and small pillow

Bring extra cash beyond the ₱1,500 base allowance, particularly for extra snacks, personal purchases and meals that exceed the estimates.

Chargers, cables and charged power banks are each person’s responsibility.

Optional idea: takeout lunch and cooler flow

Main plan: eat lunch at a restaurant before shopping and going to the beach. An alternative is takeout lunch at Limliwa after the house stop. This is only an idea, pending Limliwa’s current day-tour outside-food rules, any corkage fee, and group approval. Do not change the schedule yet; takeout would mean a later lunch.

Stage	Plan
QC and grocery stop	Keep marinated BBQ and other chilled ingredients in sealed, leakproof containers in an iced cooler.
At the house	Transfer raw meat and chilled breakfast ingredients into the refrigerator/freezer promptly.
Beach preparation	Prefer a separate clean cooler for drinks and chilled snacks. If reusing the meat cooler, discard old ice, wash and sanitize it, then add fresh ice. Keep chips in a dry bag.
If takeout is approved	Buy takeout shortly before eating at the resort, after the grocery and house stops. Confirm food and drink permission and corkage first.
